The screenshot shows the Facebook profile of BukyTeam AliveHistory. The page header includes the Facebook logo, a search bar with the text "Търсене", and a "Добави като приятел" button. The profile picture shows a group of people. The page is located in Varna, Bulgaria, and lists languages: English, Swedish, Slovenian, and 3 others. The main content is a post by Gunlög Thorstensson, dated 20 hours ago, with a photo of a woman. The post text reads: "Hi all; it will be so interesting to know more about what you all learn! I can see that you are having a good time - and also from knowing my friends in Varna who hold an unofficial World Championship in hospitality! I know 'cos I've been there! :-)" and "We all have our local stories to tell. Now it will be possible to share them with more people as we learn to use new technology to reach out. Keep up the good work! :-)". Below the post is a comment from BukyTeam AliveHistory: "Thank you for your kind Gunlog! We learn a lot of things and fun in same time. :-)" dated 3 hours ago. The "ПОСЛЕДНА ДЕЙНОСТ" (Recent Activity) section shows BukyTeam adding friends and using Facebook in Hungary. At the bottom, there is a post from Moreto.net about organizing the Varna library.
